極致奢華的島嶼度假體驗

LOCATION: Phuket, Thailand

Residences

Developed by Minor International, resort-branded residences Avadina Hills by Anantara offers luxury indoor-outdoor lifestyles in Phuket. Nestled on a verdant secluded hillside overlooking Bang Tao Bay, the project combines Japanese aesthetics with Phuket's lush tropical environs in its 11 ultra-luxury villas ranging from 2,642 to 3,373 square metres.

Set on a forested slope at varying heights, each villa comes with a private garden – dotted with tropical plants and natural foliage – that overlooks the Andaman Sea, ensuring privacy while staying connected to the surrounding rainforests.

Inside, ocean-inspired colours and warm earth tones further enhance the indoor-outdoor connection, with artwork and decorative accessories punctuated throughout.

Avadina Hills by Anantara is the second branded residential project under Anantara – Minor International's luxury hospitality brand – in Phuket. Minor International is a global hotel owner and operator that comprises nine branded residential developments in Thailand, Malaysia, Indonesia and the UAE under the Anantara, Four Seasons and St. Regis brands.

Minor International旗下的Avadina Hills by Anantara青山環繞，俯瞰布吉邦灣全景，猶如一處世外桃源。項目提供11幢面積從2,642至3,373呎不等的豪華別墅，並將日本美學與布吉島翠綠的熱帶環境融為一體。

每幢別墅都棲身於不同高度的斜坡上，配備私人花園，私隱度高之餘，也能飽覽安達曼海景。

室內設計採用海洋和大地色系為主調，並在各個角落飾以藝術品和裝飾擺設。

Avadina Hills by Anantara是豪華酒店品牌Minor International在布吉島的第二个住宅項目。Minor International同時是Anantara、Four Seasons和St.Regis等9個品牌在泰國、馬來西亞、印度尼西亞和阿聯酋的運營商。
